

Good News!

Year 6

This week Year 6 got to run the activities for our whole school sports day. Over the last few weeks, we have been practicing our techniques in order to ensure sports day ran smoothly. We also had to use our communication and organisational skills to make sure there were no hitches. We enjoyed having the responsibility and it was fun seeing all the younger children taking part and enjoying themselves. We had really positive feedback from parents and staff. The Art Exhibition last night was amazing; it filled us with pride to see all our efforts on display. We found the drawing of eyes fascinating. All the classes produced different types of art and the finished display looked stunning. Thank you Mrs Armstrong.

Katie and Theo

Year 5 At Sports Day, my favourite activity was doing the Agility Course where you had to run through the white poles (without knocking them over), step through a ladder and go through a hoop. Each time you completed the course, you scored a point for your team. Several were the winners and that was my House (Cory). Next year – when we are in year 6 – we are looking forward to running sports day. We thought the Year 6's were very helpful this year especially with the little ones. For the Art Exhibition, we produced collages all about ourselves (in black and white). We added our favourite foods, hobbies and interests. I put spaghetti on mine (Zara) and I put football as one of mine (Cory). Then we added a coloured flag to the centre of our picture that depicted a country that was relevant to us. I added The Bahamas because it was the first overseas country I went to (Cory) and I added the flag of Great Britain (Zara). Finally, we framed them using a mount for the border which really brought them to life. Cory and Zara

Year 3 The running race was the best part of Sports Day for me and I came third. I was in Tattersalls and I wore a blue t-shirt. We didn't win but it was still fun and I enjoyed it (Daniel). In my running race I came second for Hyperion (Klevis). It was fun doing sport day in our Houses this year because we haven't done that before (Daniel). Mrs Armstrong has been very busy this week organising our Art Exhibition and she did a really good job and we are proud of her. We printed lots of pictures of things that we like and then we painted them. Finally we added our own face to them. We started framing them ourselves and Mrs Haynes and Mrs Armstrong helped us. I liked looking at the gallery and seeing all the other artwork that the other classes had produced. I really like the picture that Poppy in Year 4 made because it was clever and it stood out.

Klevis and Daniel

Year 1 I was in yellow love hearts for Several (Anouk) and I was in blue hearts for Tattersalls (Summer) for Sports Day. Several were the winners and the yellow ribbons got put on the cup and our house captain Bethany got to hold it up. It was exciting (Anouk). I loved doing the sack race best because I was fast and good at it (Summer). I liked the Agility race that Sienna, Maddi, Katie and Jack were doing. They were helpful and explained it really well (Anouk). My art was about me and my favourite toys and I named it 'This is me and my favourite toys'. I drew 2 blankets, a teddy bear, music and signing (Anouk). I drew a teddy bear in my picture (Summer). My mummy and daddy came to the exhibition and we looked at all the pictures and they were really good. Summer and Anouk

Year 4

At sports day, my favourite activity was Agility. You had to weave in and out through poles as fast as you could in order to score points (Isla H). I loved doing the sack race because our team (blue hearts) got the highest score. Lots of people were falling over (often the same people!) because they were going too fast. Slow and steady was the best technique (Natasha). For the Art Exhibition, we took photos of ourselves and then we traced over them with tracing paper. We then added pictures and words to the background to show all of our favourite things. Once they were framed, they looked brilliant. We are really proud of what we achieved. I saw Dr Marshall's picture and it was really good! Foundation produced sunflowers and they looked really effective. We think Mrs Armstrong did an amazing job and made it look beautiful.

Natasha and Isla H

Year 2 I was in the winning team for sports day because I was in yellow hearts which was Several. I felt proud (Bethany). I liked the bus stop relay best. We had to run and pass the baton to the next person and we were good at it. I liked doing the basketball best because I got the ball in the hoop 3 times in a row and people were cheering. The Year 6 children were helping. My mummy and daddy came to watch me (James). For the Art Exhibition we did a colour wash. We chose a colour and put the wash over our paper to make it damp. Then we had to leave it to dry and then we drew an abstract picture of our favourite things over the top. I put on some soldiers and a tank with barbed wire (James). Mine had a unicorn, a head band and a Lavender Lady that I got from Spain (Bethany). We went to see the exhibition and we thought the pictures from other children were really good too. James and Bethany

Foundation

I wore a green t-shirt because I was in Palace House and all of our house wore green. I liked doing all the exercises and the running race. I ran fast (Millie). I had a red t-shirt on because I am in Hyperion. I had a diamond on my sticker. I liked the running race best and I ran fast (Lucas). I am painting a lifeboat for our seaside picture. Lifeboats go on the water to help people to stay safe. We made a sunflower picture for Mrs Armstrong and I called it 'Flower in the field' (Millie). I drew a football flower for my frame. I love football. I watched England play Tunisia and they won because Harry Kane scored 2 goals (Lucas). Dr Marshall likes the football and he wants England to win. So do I. I watch it with my daddy (Millie). Lucas and Millie

Week ending Friday 22nd June 2018

Good News!

continued

Dr Marshall's Memorable Moment

What a week it's been! The second week of the fiver challenge, Sports Day, Harry Kane's second goal against Tunisia... but the highlight, without a doubt, has been the Art Exhibition! I know that we have incredibly talented children in school, but to see that talent presented through Art was truly amazing. I am so grateful to Mrs Armstrong (who organised the exhibition) and all our staff who enabled the children to produce such wonderful pieces. I must also mention Isabelle (Reception); Cameron (Y1); Robin (Y2); Freddie (Y3); Lyra (Y4); Isabella (Y5) and Lilly (Y6) who very kindly provided sketches of me for my contribution to the exhibition! Have a lovely weekend!

RIBIT Certificates

10th - Lily-Anne M

20th - Freddie B, Oskar B

30th - Charlotte F, Amelia G, Finlay R, Tegan P, April A, Daniel C, Joshua W, Rowan N, Amelia G, Luca D, Louis B, Sonny B (Y4), Louis B (Y3), Teddie T, Alex S, Cooper S, Charlie P, Maddi B, Luna T, Timmy K-P,

40th - Harrison S, Emily P, Leah H-F, Amelia B, Matthew B, James Mc, Jessica R, Isla K, Violet S, Emily S, Elsa B,

Who received a Good News Certificate this week

Itali W
Lucas T
Archie C
Aneya R
Emily P
Louis B (Y2)
Rowan N
Isla K
Cole S
Sienna C

Harrison S
Kieren R
Sonny B (Year 3)
Summer N

This Week's House Points winner is:

Palace House	665	3 horses
Tattersalls House	420	1 horse
Severals House	580	4 horses
Hyperion House	395	2 horses

Friendly Fish

Owen W

Sonny B

Elsa B

Thomas S

Matteo B

Year 4

Emily E

News from the PTFA :

It has been a busy week for the PTFA! Bags2School raised £72 for the school - thank you for supporting this. We hope the children enjoyed their Sports Day ice lollies and the parents enjoyed the cheese and wine at the Art Exhibition. We are also pleased to be supporting the KS2 Sports Day next week.

Attendance for this week

Foundation	94.33%	Year 1	96.67%	Year 2	99.33%	Year 3	96.21%
Year 4	99.33%	Year 5	100%	Year 6	96.33%	Whole school	97.46%
